EXQUISITE HARDWOOD FLOORS

FLOORS & ME

With Bohemia Planks we have created the finest hardwood floors money can buy. All the wood lamellas have been handpicked to produce Bohemia Planks, only the cleanest and highest grade timber panels are destined to be part of this range.

THE BEAUTY OF NATURAL WOOD

This meticulous selection process ensures that the flooring exudes a pristine, uniform appearance, making it a prime choice for those who demand nothing but the best.

Timeless Durability

Luxury is not just about appearance; it's also about longevity. When maintained properly, Bohemia floors can last generations, retaining their beauty and charm.

Express delivery as we have the largest stocks of engineered floors.

Eco-Friendly and Sustainable

Bohemia flooring isn't just a luxury purchase; it's also an environmentally responsible one. We source these floors from companies that source their wood from sustainably managed forests.

Unparalleled Quality:

Bohemia wood floors are like a work of art. They showcase the true beauty of natural wood with its rich, warm tones, intricate grain patterns, and unique character.

Worry-Free Investment:

Enjoy peace of mind with our industry-leading warranties, safeguarding your investment in luxury flooring.
