With PRISTINE we offer a flooring range of outstanding quality, amazing decors and functional design. Pristine Laminate Flooring from SCHEIT are designed to be installed quickly but to last a lifetime. PRISTINE's unique glue-less system ensures ease of installation using an interlocking system, which seals and strengthens the joints. Owing to a superior high-density fiberboard (HDF) Core and melamine impregnated decorative layer, PRISTINE performs far better than any other laminate flooring.
